- NOTES:** A maximum of **TWO** male or **FOUR** female soccer club players are allowed on the field at any one time, per intramural team. Players may only participate for **ONE** team throughout the sport season.
Players must play in at least ONE league game to be eligible for playoffs.
All teams are reminded of the eligibility rules as stated in the intramural handbook. Only player eligibility protests will be entertained in playoffs – all other differences must be resolved on the field with the help of the head officials.
- TIES:** Due to limited game time and the ensuing darkness, if game is tied after regulation play, **penalty kicks are to be immediately employed** to determine a winner. 5 Players each side with goalie ~ shots taken alternately (and in set order) ~ all 5 players from each side shoot ~ most goals scored out of 5 determines winner. If tied after first round of shots, successive rounds of 5 used until winner is determined (kicking order decided by toss of coin).
